REQUEST FOR INFORMATION ABOUT LABORATORY GRINDING

Company:		
Contact person:		
Phone:	Fax:	E-mail:

Indicate the product to grind. Indicate the characteristics of the product (material, hardness, density, etc.).

Indicate the size of the product before grinding.

Indicate the product desired size after grinding.

Indicate the quantity of sample to be grinded in each test.

Indicate the electrical connection of the beater mill, voltage (V) and frequency (Hz).

Please, tell us if you can send us your product (1 or 2 kg) in order to do a grinding test to specify the details of grinding, behaviour of the product and the necessary equipment to have good results.

Mr./Mrs. _____ certifies that all the information included in this order form is true. Hereby, I agree.

Date:

Signature:

Stamp:

Send this order form to the fax nº 902 190 070 o to the e-mail comercial@filtrá.com
